

Rome, 30/05/2012

Our company bought Tow Tractor ZAC 100 in quantity of 2 unit, manufactured by the company ATA S.R.L.

The Tow Tractor ZAC 100 was put into exploitation by the company AVIATION SERVICES on December 2011.

The Tow Tractor ZAC 100 proved itself as reliable, well-equipped and convenient in exploitation Tow Tractor. There were no failures during the period of exploitation.

Till today we are really satisfied concerning ATA ZAC 100 tractor and other equipment produced by ATA company.

Questions concerning exploitation were settled quickly and professionally.

We express our gratitude for the manufactured equipment.
